# SMIT BAROT

Ahmedabad, Gujarat | linkedin.com/in/smitbarot

7990153071 | smitbarot20@gmail.com

A detail-oriented and highly motivated IT student with a strong base in web development, UI/UX Design, and an entry level knowledge of cybersecurity. I would very much like to use my technical skills and an innovative mind in a dynamic, growing-oriented organization. Seeking an entry-level position to contribute to the success of the company and further develop my expertise in IT solutions, web development, and project management.
